

# VETERANS' LONDON VISIT APPEAL

A Memorial in London's Green Park to honour the 55,573 men of RAF Bomber Command who lost their lives in World War II, is now nearing completion in time for a Dedication and Unveiling on Thursday 28th June 2012.

Australian veterans, families of veterans, as well as the families of those killed in action, are travelling to London to attend the event.

The Department of Veterans' Affairs has an official delegation of 30 veterans and is giving all other Australian veterans \$5000 towards expenses.

The Foundation hopes to raise funds to assist with expenses that are not covered by the government grant, for example to provide carers for veterans who are travelling alone.

## **The need is urgent.**

Our aim is to get every veteran, who is fit and able to travel by air, to London for the ceremony.
